MOTION FOR LEAVE AND NOTICE OF INTENT TO FILE LATE
FILED COMMENTS OF PILGRIM TELEPHONE, INC.

Pilgrim Telephone, Inc. ("Pilgrim"), by and through its attorneys, hereby submits this motion for leave and notice of intent to file late filed comments in the above-captioned rulemaking proceeding. Pilgrim is an affected party by the issues under consideration as it is an interexchange carrier (IXC) providing interstate telecommunications services.

The grounds for this motion are that certain key individuals whose input is necessary for the review of Pilgrim's comments are available only on a limited basis, thus delaying the finalization of the comments. Due to the complexity and interrelationship of the issues raised in this proceeding with other pending dockets at the Commission and the Federal Trade Commission, and the reason stated above, Pilgrim will need one additional day to file its comments.

Pilgrim realizes that this docket is proceeding on an expedited basis, but believes that the best Commission decision will result from a full record in this proceeding. Pilgrim is

filing this motion and notice on a timely basis to give the
Commission and the parties actual notice of its intent to file
